## Market Day 2018!

Dear Parents and Carers

Thursday November 22 is the annual Year 6 Market Day. Each year the Year 6 classes plan and run their own “mini fete” to raise money for their graduation.

Our students have been busy preparing and planning some awesome stalls. Children will be able to purchase a variety of goodies including food and drinks and add some pizzazz to their appearance with stalls offering everything from hairspray to glitter tattoos. There are also number of stalls offering games and fun challenges, including sumo wrestling, jaffa smash and *splat the rat!*

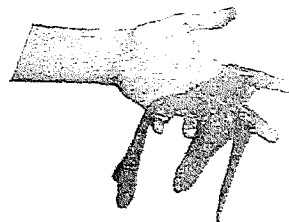

Prices for all items and games range from 50c to \$3.00 – bargains galore!

The Market Day stalls will be located on and around the senior playground and will be open for trade at 11.30am, with the pre-school and Kindergarten classes being our first shoppers.

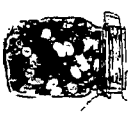

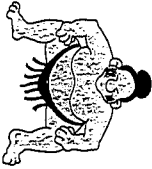

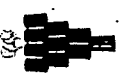

We advise parents that students bring no more than \$10, and if possible, bring coins instead of notes. Please see the itemised price list on the reverse side on this note.

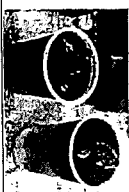

We thank you for your support.

Kelly Turner, Lynn Leon and James Shapowloff
