

KALEEN PRIMARY SCHOOL P&C ASSOC. INC.

21 October 2018

Gingerbread House Workshop

Looking for a fun activity to do with the kids?

Do you want an impressive dessert for Christmas day?

Need a beautiful gift for someone who literally has everything?

Join us for a Gingerbread House Workshop!

The P&C will host a gingerbread house workshop at Kaleen Primary School hall on **Saturday 8 December** from 10am to 2pm.

The kits are supplied by Gingerbread Folk, who make **high quality kits that taste great** and are egg free, dairy free, nut free, palm oil free and vegan friendly.

The kits come with everything you need, including the gingerbread pieces, a base, quick dry icing, and a range of sweets for decorating. Your finished house will be wrapped in cellophane ready to give as a gift or to decorate your table –the wrapping should stop the kids from devouring it before you get home! Lollies for decorating will be supplied at the workshop, but you are welcome to bring your own nut-free lollies along too.

The workshop will be open from 10am to 2pm. Depending on your approach to decorating it might take you an hour or two, so it would be a good idea to arrive before 1pm to start your masterpiece.

Take-home kits are also available for those that can't make the workshop. The kits will be provided to your child on Thursday (6 December) or Friday (7 December). For take home kits, lollies for decorating will not be supplied.

Please fill out the form below and send it back to the school in an envelope with full payment (in cash) by **Friday 16 November**. As numbers need to be confirmed ahead, it may not be possible to fill orders received after that date.

Family, friends and colleagues are also welcome to attend the workshop, just add them to your order below.

Child's name: _____

Class: _____

We will attend the workshop and would like _____ plain kits _____ chocolate kits and _____ gluten free kits at \$35 each.

We can't attend the workshop but would like _____ plain kits _____ chocolate kits and _____ gluten free kits to do at home at \$32 each.
