

Wheels Day K-6

Friday 2 November

2018

To celebrate achieving our whole school target for returning our school satisfaction surveys, we will be having a Wheels Day on **Friday 2 November 2018**. This coincides with 'Ride safely to school day' and is a wonderful opportunity to promote a healthy and active lifestyle.

Students are welcome to bring a wheeled item (not motorised) such as a bicycle, scooter, skateboard, roller skates or rollerblades. Any student who brings a wheeled item to school must have a helmet and additional protective gear appropriate for their level of skill. Please label these items with your child's name.

When you arrive to school on Wheels Day, please take your wheeled item to the designated area where they will be stored for the day.

Kindergarten - Will be going to Southern Cross Early Childhood School to access the learn to ride centre. Kindergarten will not be required to bring any type of wheels, these will be provided at the learn to ride centre.

Years 1 and 2 – Tennis Courts (From 8:30am)

Years 3 - 6 – Gym (From 8:30am)

We will have some 'wheeled' toys and activities at school for all children to participate in Wheels Day. Each cohort will spend some time on their 'wheels' throughout the day. This will be timetabled to minimise congestion and ensure the safety of all children.

Please see the information below regarding your child's cohort and the activities that they will be participating in on the day.

Thank you for your continued support. We are all looking forward to a *wheely* fun day!
