Dear Parents and Caregivers

Welcome back! I hope you enjoyed a wonderful break with your children, family and friends. I would like to remind parents about our upcoming Japanese Day on 23 October and Science Festival on 6 November. Also watch out early next week for your child’s class term newsletter that will provide you with information about the topics and areas covered during this term. If you have questions about supporting your child’s learning or the curriculum please contact their teacher to arrange a time to discuss.

Please read on to learn about the exciting term ahead.

STAFFING NEWS

I am delighted to share with you the appointment of Mr Robert Maccioni to the Deputy Principal position at Kaleen Primary School. Mr Maccioni brings a wealth of teaching and learning expertise to Kaleen Primary School and is an exceptional educator. It is anticipated that Mr Maccioni will take up the Deputy Principal position for the start of 2015.

PARENTS “ROUND TABLE” FORUM

THURSDAY 23 OCTOBER 6PM-8PM

Thank you to those parents who have committed to supporting forward planning at Kaleen Primary. During this process we will be exploring: our school’s vision and values, school facilities, information and communication technologies, fostering student innovation and creativity, curriculum and programs, parents as partners in learning and education partnerships.

The forum is an opportunity for parents to share positive and constructive ideas and feedback to support the continuing improvement of our school. We are seeking expressions of interest from parents to represent the broader views of their child’s class and are committed to supporting our school’s continuous improvement. If you are interested but have not yet submitted your expression of interest (due 17 October) - please contact our friendly Front Office staff as soon as possible.

ACCELERATED LEARNING PROGRAM – DIFFERENTIATION AND GROUPING

Kaleen Primary is committed to developing the intellectual, social and emotional needs of all students. Kaleen caters for the diverse learning needs of students through grouping and differentiation. In this way, grouping enables staff to scaffold learning to support and extend students based on their developmental needs across the Australian Curriculum.

As part of an overall review of programs across the school, our executive is currently reviewing processes to strengthen differentiation and grouping to ensure all students are extended in their learning and have access to multiple enrichment opportunities.
What this means is the program known traditionally as the ‘Gifted and Talented’ program will now be renamed as part of a broader Accelerated Learning Program (ALP). The program will continue to be strengthened to include students across different class groups based on developmental need. The program will continue to cater for students identified as gifted and talented as before.

With this in mind, parents who wish their child to be included in the Accelerated Learning Program will apply annually. Staff will continue to assess a range of factors (particularly student’s intellectual, social and emotional needs) in the formation of class groups. Decisions will be made in the best interests of each student’s learning and their ongoing development. Watch future newsletters for more information and how to apply.

STUDENTS ACCESSING PLAYGROUND AFTER SCHOOL

I wrote to you last newsletter to advise you of changes to students accessing playground equipment after school. The trial is now underway and details have been repeated for your information. The YMCA under contractual arrangements provides a highly valued and important ‘After School Care’ service to our Kaleen school community. To ensure the safety and wellbeing of students in After School Care, I need to ensure access to a range of school facilities to comply with our responsibilities under these arrangements. These facilities also include the school’s playground. YMCA staff are required to easily identify students within their care at all times.

Parents have also indicated that they value the opportunity to connect with other parents after school and would like access to play equipment.

In consultation with the Kaleen Primary School Parents and Citizens Association and the YMCA staff, an arrangement is to be trialled from Term 4 where ‘After School Care’ students will wear coloured bibs. Your child’s safety and wellbeing is our priority and I would ask you to support me in ensuring that all children can play in safety during the time immediately after school. These arrangements will be in place as a trial for term 4 at which time I will make a decision based on the outcomes of the trial.

I will remind all students that they are not to be on the schools’ playground equipment after school unless directly supervised by their respective parent or carer. Where conflict situations arise the matter should be referred directly to me or one of the school’s executive staff.

SCHOOL UNIFORM

Our Kaleen Primary community takes great pride in our school uniform. May I remind parents and students that it is a requirement to wear our school uniform other than in exceptional circumstances.

NEWSLETTER DISTRIBUTION CHANGES

From Term 4, 2014 we will be forwarding newsletters in Weeks 1, 3, 5, 7 and 9. This change will improve alignment with school assemblies.

NEW SCHOOL WEBSITE

During Term 4, Mrs Harrild and Mr Burridge will be working with staff to develop our new school website. Our new website is due to be released before the end of the year and will feature the ability to be viewed on most smart phones with calendar syncing. In this way, information about important events (and cancellations) will be more readily accessible. Watch future newsletters for progress updates.

RIDING TO SCHOOL

It is pleasing to see the increased number of children riding to and from school. In the interests of safety please remind your child about safe practices and to wear their helmet to and from school.

Laurie Campbell - Principal

THANK YOU

I would like to thank all of our Preschool families for your thoughtful reflections on our recent ‘parent feedback’ request. Your responses will help us with the future planning of our Preschool. I am so thankful for the time and care taken in providing us with honest, positive and constructive feedback.

Michelle Northey - Executive Teacher
LJ HOOKER CITIZENSHIP AWARDS

Chanel, Evie and Zoe

Congratulations to:

Evie (1L) is an outstanding role model for citizenship. She consistently displays a positive attitude and always shows respect and kindness towards others. Evie is well liked for her compassion and integrity. She displays these personal attributes on a daily basis through her actions, words and manner. Congratulations Evie, you really are an excellent example of a Kaleen Kid!

Chanel (4H) is a respectful and positive member of the Kaleen community. She takes the initiative and supports her teachers and peers in any way she can. Chanel is a an excellent role model for students in her volunteer role for Junior KIPS. She demonstrates the Kaleen values every day. Well done, Chanel.

Zoe (5B) - Demonstrating citizenship requires students to know what is right and wrong and always have their moral compass pointed in the right direction. Zoe West always travels in the right direction as she uses compassion, consideration and integrity to guide her actions.

L.J. Hooker Kaleen is proud to continue to support the Kaleen Primary School community.
For all your Real Estate needs contact the office on 6241 1922.

McDONALD’S FAIR PLAY AWARDS

Oscar, Levi and Zoe with McDonald’s Natasha

Congratulations to our McDonald’s Fair Play recipients (and their clever teachers) whose personal attributes are penned in poetry.

Levi by Mrs Trindall

Levi
Kind to others.
He follows all the rules.
Always honest and respectful.
Good sport!

Oscar by Mrs O’Connor

Oscar
kind, considerate friend to all valued, respected, highly regarded

Zoe by Mr Burridge

Mirror, mirror on the wall,
Who’s the fairest of them all?
From the senior classes in Term 3
It is a student from 5B.
A team player who tries her best
The always fair Zoe Vavoulas!
ASTRONOMY NIGHT RECOUNTS

On Thursday night behind the gymnasium, telescopes were set up by the Canberra Astronomical Society. Every telescope was focussed on Saturn. You could see the rings around it. Some of the telescopes were focussed on the Jewel Box, a cluster of stars that looked like one big star from far away. Next, a few of the telescopes focussed on Mars. Mars looked fiery but I’m sure it wasn’t.

Sarah (5W)

Astronomy Night was great! It had at least five pretty big telescopes. First you could see Saturn; it looked like a medium sized star with a ring around it. Mars was just a red dot. The Jewel Box was hundreds of stars and was really cool.

Lucy (5W)

The Astronomy Night was a great experience to see constellations such as Scorpio, planets like Saturn and former galaxies. I saw Saturn, a big ball with rings around it. I was most impressed when I saw around 3.5 million stars together. Mars was a red dot and the Jewel Box was like a triangle with lots of stars in the middle.

Daniel (5W)

ICAS WRITING RESULTS

Congratulations to the following students on being awarded Distinctions (top 10%) in the recent UNSW ICAS Writing tests:

Year 6  Rhiannon  Thirandi
        Stanley  Noah
Year 5   Ananya
Year 3   Isaac

Allan Wylie – ICAS Coordinator

INTRODUCTORY ENGLISH CENTRE

If you would like to know more about enrolling your child in the Belconnen Primary Introductory English Centre, visit and learn about our intensive English program and enrolment process at an information session for parents and teachers. Details are as follows:

When: 3:30-5:00pm, Wednesday 22 October
Where: Charnwood-Dunlop School,
        Bettington Circuit, Charnwood 2615
RSVP: Please call 6205 7322 if you would like to come

Afternoon tea will be provided.

WOULD YOU LIKE TO HOST AN OVERSEAS EXCHANGE STUDENT?
Learn about another culture, learn a new language or perhaps improve your culinary skills.

Hosting - An Experience for Life

Student Exchange is looking for host families across Australia to welcome overseas students into their home.

Visit www.studentexchange.org.au/host-a-student or call 1300 135 331 for more information

Dianne Frame is the Community Representative on our School Board and is a Real Estate Agent with LJ Hooker, Manuka. Dianne is happy to donate $500 to the school from every sale when she lists and sells any property introduced to her by school parents or staff.

Contact Dianne on 02 6239 5551 or 0411 092 990
**RESOURCE CENTRE NEWS**

The Children's Book Council of Australia ACT Branch invites all ACT children in Preschool to Year 12 to enter our Children's Week competition. The competition involves taking a photograph of the child’s favourite reading spot and displaying the CBCA Logo in the photo. The child will need to write 50 words or less explaining why this is their favourite reading spot and the title of their favourite Australian book. The winning child of each category will be given a book and their schools will receive a collection of books. Entries opened October 13 and will close on October 28.

Entry requirements are as follows:

2. Include a photograph of portrait orientation (jpeg file) with the CBCA Logo. Examples can be seen at [act.cbca.org.au/act_favread](http://act.cbca.org.au/act_favread).
3. Include 50 words or less explaining why you chose the location as your favourite reading spot.
4. Include the title of your favourite Australian book.

Entries in each category will be judged according to the extent to which the entry:

1. Expresses a passion for reading
2. Clearly explains why they like to read in the location identified, and
3. Shows a connection and engagement with their favourite Australian book.

Please note the photos and explanations will be displayed on our website and the winning photos will be used in our promotional literature. If there any people in the photo you must have permission for us to use their image. Only the child’s first name and their school will be used in the promotions of the competition winners.

Send entries to CBCA ACT Branch, [act@cbca.org.au](mailto:act@cbca.org.au). The contact person is Leanne Barrett 0419 401 430. The judges’ decision will be final. No correspondence will be entered into. Good luck and happy reading.

---

**GREEN TEAM NEWS - NUDE FOOD DAY**

On Friday 19 September, there was a definite display of solidarity across the school as many students used reusable containers and fruit to show their support for the environment and this national day. ‘Nude Food Day’ is held across Australian schools and workplaces to help educate about the way in which healthy foods such as fruit and vegetables often have their own natural wrapping and containers thus eliminating the need for plastic bags and wrappings.

Across classes the students discussed the ‘Nude Food’ concept and how by reusing, recycling and reducing wrappings we can save the area otherwise required for landfill.

As the graphing below conducted in Kindy illustrates, there was a definite difference in the amount of waste involved in recess and lunch time on Friday through the students’ efforts.

Kindergarten students used graphing to show the difference in waste between Nude Food day and a regular day at school.

A heartfelt thank you to all students, parents and staff for their support of and participation in this day.

Melissa Chiles – Green Team Coordinator
Year 6 Band @ Floriade
September 2014

On 23 September, the Year 6 Band went to Floriade to perform. In the morning we all had to meet in the hall then catch a bus to Floriade. We performed for 30 minutes. My favourite song to play was Funky Town. After that we could go and explore Floriade (with the supervision of teachers of course!). We got to look at all the beautiful flowers, see the different sculptures and buy a sweet. We also had time to relax and just play around in the sun. It was an awesome experience and I hope I get to do it again.

Asth (6T)

I enjoyed going to Floriade because we got to play our favourite songs on Stage 88 and because we got to explore Floriade.

Jayne (6T)

Floriade was an awesome experience and I think we played really well. I would really like to play there again one day.

Thirandi (6V)

It was really fun, the lollies were great and it was really cool performing there.

Angus (6S)
On 19 September it was Nude Food Day. 4MB found out how much waste we had. We did this last Friday too. I think we have improved. I think it is important to refuse packaging because it takes lots of energy to package it. I also think it is good to have more organic waste so we can give it to the worms (if we had them).

Ruofan

I don’t think it mattered that our organic waste increased because organic is food scraps and food scraps decompose so it doesn’t hurt the environment. Reducing or refusing saves money and it stops some greenhouse gases because not as much of that product is made. I will change the way I package by using reusable containers and buying products with not as much or no packaging at all.

Alex

I think 4MB did a great job in reducing rubbish. We got more organic waste but that’s good because it’s easier to break down. I personally think we should all reduce and refuse rubbish so our environment is a happy, healthy place. If you found out that not having packaging was just as good then maybe you should try not to always pack your recess and lunch with rubbish!

Carol

I am happy about Nude Food Day because I kind of find packaging annoying. Another reason packaging isn’t good is that it does to landfill which affects our land by producing methane gas which is a greenhouse gas so earth will slowly get hotter.

Danh

We should reduce or refuse packaging because some materials used for packaging aren’t sustainable. I will use plastic containers because they’re reusable.

Justin

I think we did quite well because the total waste this week was 17 less than last week but I think we can still reduce it. I don’t think it matters that our organic waste has gone up because it can be returned back to the earth. I think we should refuse wasteful packaging because it can really damage the environment. From now on I will try and refuse wasteful packaging.

Alyssa

Today for Nude Food Day we talked about waste and containers. We made graphs about waste to see how many people had organic waste. We also used the 4Rs which are refuse, reduce, reuse and recycle. From now I will pack my lunch in containers and not in plastic wrap.

Katarina
Year 5 Camp – Borambola *(Just down the road from Wagga Wagga)*

Last week students from Year 5 went on a camp to Borambola where they participated in outdoor activities and fun group challenges to develop communication, cooperation, team-building skills and resilience.

Luke: ‘The food was awesome!’

Mia: ‘The best thing was the flying fox.’

Cayden: ‘I enjoyed putting Rock and Water into practice.’

Ameeka: ‘My favourite things were riding BMXs and archery.’

Aimee: ‘I loved the disco! It was awesome and we got to dance a lot.’
Last term, Year 6 held a new event for Kaleen Primary- “Kaleen’s Got Talent”. The talent show was organised and run by 12 hardworking Year 6 students who were part of the “Kaleen’s Got Talent” committee. This event was held as a Year 6 fundraiser helping us to raise money for our Graduation. We had a total of 53 acts audition. We saw a variety of acts such as singing, dancing, pianists, violinists, comedy, magic and so many more. The finals were held on the last day of term with 19 finalists - two of them being teacher acts! “Fully Six” performing “The Evolution of Hip Hop” and “Get Taught”, the teachers rock band.

Our three judges for the finals were Sam (6V), our teacher judge Mr Bormann and our celebrity judge, Franco from Kulture Break. We had a winning group from the junior school and a winner from the senior school. Our winners were Nigama, Arya and Shriya from Year one who performed a traditional Indian dance - “Nishar” and Satvik (5B) who did beatboxing.

Our KGT finalists for 2014 were:

- The Evolution of Hip Hop by Fully Six (Year 6 Teachers)
- Year 6 Rock Band
- Alyssa (4MB)
- Latoya (4MB) & Taylor (3G)
- Rhiannon & Alyssa (6T)
- Acacia (1L)

- Kassidy, Layla & Delaney (6T)
- Emily R (6T)
- The Amazing Sammy (1L)
- Paige & Erin
- Angus (6S)
- Tessa (2KS)
- Jamie & Alexandra (2KS)

- Emily H (6T)
- Daniel (5W)
- Satvik (5B)
- Nigama, Arya & Shriya (Year 1)
- Rachel, Ella, Sitara & Matt (6S)
- Get Taught by Teachers’ Rock Band

Thank you all for helping us to raise money for our graduation. We hope you enjoyed “Kaleen’s Got Talent” as much as we did!

Ahana and Izi – Year 6

What a talented happy group - our finalists, the winners (with their trophies) and the judges of 2014’s Kaleen’s Got Talent.
Science Festival – Week 4, Term 4

Next term, Thursday 6 November, our school will host its first Science Festival. Year groups will be showcasing some of the great science learning going on around the school and the way in which our school embraces the inquiry process. There will be displays, demonstrations and some hands on experiments.

Former Kaleen Primary student, Dr Graham Walker, will be putting on some dynamic science shows. Without giving away too much, we have been guaranteed some exciting explosions – *in the name of Science of course!*

We would also like to tap into the wealth of knowledge that exists within our school community. As well as content created by classes, we will be exhibiting displays made by families. If you would like to participate start thinking about some ideas. Displays can be on any scientific concept and will need to fit on a desk, be free standing or able to be hung on a wall.

We will also be running a number of competitions with some great prizes on offer:

**Science Photo Competition**

Do you have an eye for interesting phenomena?

Take a photo that relates to one of our four categories:
- Biology
- Earth and Space
- Physics
- Chemistry

Accompany your photo with a brief outline explaining the scientific phenomena it shows (50 words max)

**Recycle Robot**

Using recycled parts construct a robot - *it is not expected that your robot will be functional.*

Prizes will be awarded to the most creative and well-constructed robots.

*Please check with an adult to make sure that the tools and parts you use are safe. Some electrical items, such as LCD screens, contain toxic materials.*

**Gravity Racer**

Create a functional model racer that is powered solely by gravity.

Prizes will be awarded to the racers that travel the furthest distances.

The launching ramp will be approximately 2 metres in length and at an angle of about 15°.

**Straw Construction**

Create a tower, bridge, dome or any other structure out of drinking straws.

Prizes will be awarded to the most creative and structurally sound constructions.

*Please work with an adult when using epoxy or a hot glue gun.*
Kaleen Primary Student and Community Initiatives

At Kaleen Primary we are committed to community partnerships and creating an engaging and inclusive school community. As a result of parent feedback through the recent school surveys we propose a range of trial initiatives and seek your participation and feedback. Most programs will be based in the meeting room next to the Resource Centre (Library). Trial initiatives include:

Yoga and Fitness - for parents and friends

Julia Tapp, our Blueearth coach and Kidsmatter liaison, will continue to facilitate the popular Yoga classes on Mondays at 9:15am. Fitness classes, a new initiative this term, will run on Thursdays at 9:15am meeting at the Gym. All are welcome.

Parents and Kaleen Kids – for parents and friends with “little ones”

Pop in and have a chat. Connect with other families in our community who have young children not at school. These chat sessions will be held in the meeting room on Wednesdays from 9:10am so you can drop the school children to class then call in. Alternatively, call in at 2.20pm on Fridays before collecting your school children for the weekend.

Connect Time – Resource Centre and Preschool – for students with parents/carers

The Resource Centre will be open from 8:45am each morning for students accompanied by their parent/carer to “connect” with reading. Read, borrow and return books. The Resource Centre is also open from 3-3:30pm each afternoon to return and borrow books. Students must be accompanied by their parent/carer.

From Week 2 of Term 4, we will open the Preschool doors at 8:45am. Students, who are accompanied by their parent/carer, are invited to come in, read, do a puzzle or just chat and “connect” to other families. Please note that students are not to be left with siblings or left unattended before the Preschool session commences at 9am.

KIPS - Kaleen Inclusive Play Sessions - for all students at lunchtime

KIPS program runs five days a week for Junior and Senior students. KIPS is a supervised structured game run by a teacher during lunchtime. The teacher is ACTIVE in the game which allows the teaching of social skills and strategies for success. The teacher is proactive in identifying students who may require support to play in an effective manner.

KIPS is designed to assist children:
- who need structured play to assist in developing social skills
- that are ‘fringe dwellers’ in our playground who would benefit from something to do and an avenue to make friends
- who can provide positive role models for other students
- that seek leadership and/or peer tutoring opportunities.
Homework Club - for all students

On Monday and Friday lunchtimes, students may attend Homework Club. This will be an opportunity for students who need extra time or assistance to chat with a teacher (Mrs Knight or Mrs Sheville) and to access technology if required. This is not a compulsory club, rather a relaxed place to complete tasks.

Tennis Competition

Once again we will be running our famous Hot Shots Tennis Competition each lunchtime. Year 6 leaders will organise the competition which will run for four weeks.

I would like to acknowledge the dedication and enthusiasm of Kaleen Primary staff who make these initiatives possible. We are fortunate to have so many wonderful opportunities available to students and parents/caregivers. If you have any questions about any of the programs, keep reading the newsletters, check bags for notes or ask one of our friendly Front Office staff.

Lynne Sheville – Deputy Principal
